Bitumar USA Inc.

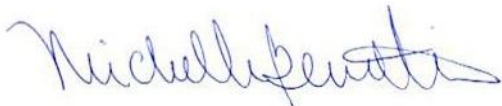

**RE: Firestone Approved Asphalt**

Dear Mr. Lecorchick,

This letter serves as confirmation that Bitumar USA Inc. is an approved asphalt supplier for warranted Firestone roof systems. In order for Firestone to include Bitumar asphalt in the warranty, the contractor must submit a Certificate of Analysis to Firestone for the specific batch of asphalt.

Please contact the Firestone Technical Department at 800-428-4511 for additional information.

Sincerely,

Michelle Benatti  
National Technical Manager, Asphalt and Insulation
